Additional Tips to Find the DuSable Harbor Parking Lot

1. Pull into the Lower Randolph turnaround. (You should see a food stand to the south, Columbia Yacht Club to the east, a bike stand to the north, and the traffic lights to the west)
2. Stop in the turnaround and look northwest for a black fence that runs north/south. The road to enter the parking lot is immediately right of this fence. (The road to the parking lot is not as maintained as the road furthest east. It does not have traffic lines painted on it)
3. Drive North on the road you identified until you reach the parking lot gates.
4. You are in the correct location if the road slopes downward and passes underneath Lake Shore Drive.
